Under recent changes to Canadian security rules, Canadian companies are no longer required to distribute physical copies of certain annual meeting related materials such as proxy circulars and annual financial statements to their investors. Instead, they may post electronic versions of such material on a website for investor review. This process, known as “notice-and-access”, directly benefits the company through a substantial reduction in both postage and material costs and also helps the environment through a decrease in paper documents that are ultimately discarded. Registered Shareholders will receive paper copies of their meeting materials this year.

Electronic copies of investor materials related to this meeting may therefore be found at and downloaded from <http://www.divestco.com/investor-relations/> or www.sedar.com. We have added features that will make searching for relevant sections and specific items a much easier process than finding this information in the paper versions of these documents.

You have a number of ways to vote your shares, and these are detailed on the voting instruction form included with this package. However, you choose to vote, we must receive your vote before **10:00 am (MST) on June 15, 2018**. We also strongly encourage you to first review the matters under discussion for the meeting as described in our proxy circular at <http://www.divestco.com/investor-relations/> or www.sedar.com.

Should you wish to receive paper copies of investor materials related to this meeting, or have any questions, please contact us at 1-888-294-0081 or investor.relations@divestco.com prior to **June 12, 2018**, and we will send them within three business days, giving you sufficient time to vote your proxy. Following the meeting the documents will remain available at the website listed above for a period of one year.
